

## **IYS Training for Small Group Therapy and Basic Parenting Program**

*Communities In Schools of Pennsylvania through PCCD evidence-based grant funding will be hosting two training opportunities for The Incredible Years Series in June 2013.*

*We have limited availability in these trainings and are therefore requesting that individuals seeking the opportunity to attend the training meet the criteria identified below.*

*We welcome our partners in prevention and intervention to contact Andrea Niedererr via email to seek one of the spaces available in the preferred training. Please note that a fee of \$75 per participant will be charged to offset the costs of food and training materials. Curriculum binders for provision of IYS programs are not considered training materials.*

*Thank you for your interest! We look forward to training alongside you!*

### **Criteria to participate in CISPA's training for IYS Basic Parent Program and additional information:**

**Training Dates- June 26-28**

**Location: Harrisburg, PA**

#### Requirements:

Professional in counseling or school counseling with associated credentials at the Master's level to provide therapeutic services in Pennsylvania or Human Services professionals working in a therapeutic team. We will give preference to candidates with these credentials who are working towards sustainability in the IYS Program Series. Also, preference will be given to PCCD currently or previously funded program participants.

If you are interested in attending, please contact Andrea: [aniedererr@cis-pa.org](mailto:aniedererr@cis-pa.org).

### **Criteria to participate in CISPA's training for IYS Small Group Therapy (Small Group Dina) and additional information:**

**Training Dates- June 5-7**

**Location: Harrisburg, PA**

#### Requirements:

Professional in counseling or school counseling with associated credentials at the Master's level to provide therapeutic services in Pennsylvania or Human Services professionals working in a therapeutic team. We are focusing our training cohort exclusively on a therapeutic / school therapeutic group of professionals. PCCD funded program participants will have preference for seats at this training. This is an effort to increase the level of sustainability for IYS Program components in Pennsylvania.

If you are interested in attending, please contact Andrea: [aniedererr@cis-pa.org](mailto:aniedererr@cis-pa.org).
